The response with amendments filed 3/31/05 has been received and entered.

Claims 9-20 are directed to an allowable method. Pursuant to the procedures set forth in the Official Gazette notice dated March 26, 1996 (1184 O.G. 86), claims 22-40, directed to a method of use of the allowable method, previously withdrawn from consideration as a result of a restriction requirement, are now subject to be rejoined. Claims 22-40 are hereby rejoined and fully examined for patentability under 37 CFR 1.104.

Since all claims previously withdrawn from consideration under 37 CFR 1.142 have been rejoined, the restriction requirement made in the Office Action mailed 2/26/04 is hereby withdrawn.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

IN THE CLAIMS:

Art Unit: 1654

In claim 31, line 1, the phrase -- 30 -- has been inserted after the phrase “ The method of claim”.

In claim 35, line 1, the phrase -- 30 -- has been inserted after the phrase “ The method of claim”.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The compound is known in the art but the method of use is not. By administering the same compound but having opposite and unexpected results in different mammalian species (mice in the prior art to treat osteopetrosis, rats in the instant disclosure to increase bone density), it would not be considered undue experimentation to administer the compound to a 3rd mammalian species.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”

Claims 9-20 and 22-40 are allowed.
